Income Verification

As part of verification, the Office of Financial Aid is required to collect documentation of your 2015 income. There are two types of income verification. If you or your parent(s) filed a 2015 income tax return with the IRS, complete the Income Verification – Tax Filer section. If you or your parent(s) will not file and are not required to file a 2015 income tax return with the IRS, complete the Income Verification – Non Tax Filer section.

Income Verification – Tax Filer

Complete this section if you or your parent(s) filed a 2015 income tax return with the IRS. The Office of Financial Aid is required to collect your official tax data, either through the FAFSA IRS Data Retrieval Tool (DRT) or via an IRS Tax Return Transcript. A copy of your Tax Return (1040, 1040A, or 1040EZ) *is not* acceptable for verification purposes. You must complete one of the steps in the chart below.

***IRS Tax Return Transcript:** You may also request a 2015 Federal Tax Return Transcript directly from the IRS – *not* a photocopy of your tax return. To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Get a tax transcript" link or call 1-800-908-9946. Make sure you request the "IRS Tax Return Transcript" and not the account transcript. You will need your Social Security Number, date of birth, and the address on file with the IRS (this will be the address used when the 2015 IRS tax return was filed).

Income Verification – Non-Tax Filer

Complete Step 1 and Step 2 of this section if you and/or your parent(s) will not file and are not required to file a 2015 income tax return with the IRS. If you are required to file an income tax return, but have not, you must file your return in order to be considered for Federal Student Aid
